

Monday 14th October 2019.

Data Science Society: Meeting 3

In attendance:	Minutes taken by:
<i>Amanda Otley</i> <i>Fran Pontin</i> <i>Ryan Urquhart</i> <i>Annabel Whipp</i> <i>Verity Tether</i> <i>Sarah Gadd</i>	<i>Annabel Whipp</i>

Meeting objective:

To arrange the events for the remainder of the semester (where possible) and to confirm the staffing requirements of future events.

Minutes.

- Recommend Element of AI via Twitter
- Monday at 11 for a regular meeting- Vicki will send out meeting request
- Newsletter will be sent out on Mondays as well following the meeting
- Verity will follow on GIAG for semester 2

- Interest in resources on machine learning
- Sarah will double check the event for Halloween and ask Vicki to send out a placeholder
- Annabel will put the spreadsheet on Google Doc
- The spreadsheet document should be made private
- Count event 7th November- Ryan, Fran and Vicki are available
- Discussion about hosting a Twitter event
- Tableau 20th or 21st November – we just have to promote this, everything else is organised
- Look into running another Tableau event, if possible through an ambassador
- Sarah can organise an Eventbrite for the Digital Twins event
- Going forward Vicki will organise EventBrite
- Annabel will write a couple of lines about the Digital Twins seminar to be sent to both Sarah and Ryan
- Verity will chase up the meeting with the education board and Karen
- Fran will look into a room for the beginners Python course
- Fran will ask Vicki to put placeholders in for the event
- Ask students to write a blog post after they have come to an event- make sure to mention this after

The next meeting will occur on Monday 21st October 2019.
